

# Fertile field

Amar was depressed. He was gazing in the river and was about to jump when he saw something strange....

He turned around to look who it was and was amazed to see a beautiful angel.

why don't  
you do  
some work?

Well I don't  
have any  
work to do.

Hmm!!! Why are you depressed?

Be-  
cause, I  
am a poor  
village boy. I  
have no money

Okay  
why don't  
you grow  
something  
in this  
fields?

The field is very hard. Besides, I don't have money to buy the seeds

Oh!!! Hidden under the  
ground is lot of treasure if  
you can dig it, it will all  
be yours...

Amar digged the whole field but he didn't find any treasure

It became dark and Amar was still sitting there...

You lied to me  
there is no treasure  
under this field. You  
have made me even more  
depressed by making fun  
of my poverty...

Now that  
you have  
digged the field  
so well, I have  
come here to give  
the key for the  
treasure...

Take this  
and sow it  
in the  
field...

Amar started to sow...

Within few days it started to sprout...

A man with dark hair and a beard is standing in a field of tall, orange-brown stalks, likely corn. He is wearing a blue long-sleeved shirt and dark green pants. He is looking down at the plants, holding a small green vine in his hands. The field is in the foreground, with a dark, rocky hillside visible behind it. The sky is a clear blue.

He began to take care of the fields...

The quality of his grapes was appreciated by all the people and his grapes were famous among all...

Many vendors came to buy his good quality grapes and they offered good prices to it... and soon Amar became very rich.

The Angel came and asked Amar...

So Amar  
did you  
find your  
treasure...

Amar ran and got some bunch of good grapes...

I thank you  
so much

One has  
to dig the  
field first,  
the seeds  
will come...

Moral: The mercy of Guru and Krishna will grow bhakti only if our heart is prepared.
